Small Group Basic Mandarin Lessons

KCEL provides all kinds of [small group Chinese class](#) - beginner, elementary, intermediate, advanced Chinese; HSK test; business Chinese, Chinese culture (Kungfu, cook, paint, calligraphy, tea ceremony). You can choose all the classes, or mix any of them. To ensure the teaching quality, we offer commitment teaching plan for every student, and each class will be no more than 8 students.

There are usually 5-12 persons in one class. The methodology used is scientific, proven and flexible, making it easy for teachers to understand each student's individual needs. Students have more opportunities to communicate with each other than in a larger class, assuring the steady, sure progress of their Chinese.

[Kunming College of Eastern Language and Culture](#) is a distinctive school known for its excellence in teaching Chinese language and culture to foreigners. Our college employs professional teachers who use the latest teaching methodology supported by a conducive learning environment. We also offer lectures on selected subjects and related language-study activities.

College services are available to a range of international and overseas students. Our courses are designed to meet our students' needs. In addition to regular and extra-curricular classes we provide many opportunities to practice the language and immerse one's self in the local culture.

We hope we have the pleasure of welcoming you to our College!

Our main campus is located in Kunming Downtown core, close to shopping center, Wenlin Street (full of foreign restaurants, bars, nightclubs), bus stations, subway stations. Under the school, there are a lot of banks, grocery stores. Our dormitory is just one street away from the school. Join us now to enjoy the most authentic lifestyle of Kunming.

Founded in 1999, Kunming College of Eastern Language is the largest and most established Chinese language schools in Yunnan. Over 18 years' experiences, WE KNOW HOW TO HELP YOU LEARN!

Kunming College of Eastern Language and Culture has a large group of experienced and professional teachers using the latest methodology and learning surroundings in which students can learn whatever interests them. Meanwhile, different lectures on selected subjects and related language-learning activities are offered. Learning courses are made to meet the different students' demands. In addition to regular and extra-curricular courses, at present, the college also offers students many opportunities to practice language and immerse one's self in the local life. Simple on-campus accommodation is available to International students. We also provide information on renting apartments and seek to help find Chinese homestay opportunities. Chinese student partners can also be arranged for language and culture learning.
