

## *One on One Chinese Lessons*

One-on-one Chinese class is a customized program, student can make their own study plan and course schedule under our teachers' help. One-on-one class gives students the opportunity to study for their own needs and interests, to have more time to speak and use Chinese with our professional teachers.

Tailor-made [one on one Chinese lessons](#) that develop different learning programmes based on the results of the 1-to-1 assessment From zero to advanced Chinese, goal oriented, instructional, 1-to-1, completely customized. The basic feature of one-on-one tutoring is that a teacher tutors a student, unlike many students in the school, listening to a teacher's lecture in one class. From the essence of education, the only interaction can achieve the effective educational effect, while one-on-one is the basic requirement of education interaction, the traditional form of large classes, the interaction is difficult to effectively unfold. One-on-one individualized tutoring is [KCEL](#) for each student to develop a unique and effective teaching and counselling strategy tailored to the different learning and psychological situations of each student, each student is equipped with teaching team to carry out the implementation, through all-directional, strategic guidance, so that students have a learning method that suits their own and improves the bad learning habits.

We hope we have the pleasure of welcoming you to our College!

Our college employs professional teachers who use the latest teaching methodology supported by a conducive learning environment. We also offer lectures on selected subjects and related language-study activities.

*One on One Chinese Lessons*

College services are available to a range of international and overseas students. Our courses are designed to meet our students' needs. In addition to regular and extra-curricular classes, we provide many opportunities to practice the language and immerse one's self in the local culture.

Kunming College of Eastern Language coordinates Advanced Learning programs with well-known Universities throughout China. International students who have studied Mandarin and successfully completed the HSK examination will be recommended to these universities to study for a Bachelor's or Master's degree or a PHD.
